Company Certification Statement:

This document confirms that an internal audit and compliance review
(Internal Audit Ref:

TSINV-AUDIT-2025-041) was completed for Tesla Stock & Investment on or
about the issue date. The

audit covered transaction monitoring, AML/KYC procedures, data protection,
platform security, and
customer dispute handling. Required remediation actions identified during
the audit have been

implemented and verified by the Compliance & Security Division.

How to verify this Company Statement

1. Email our support team at **support@teslastck-investment.com** with the
Certificate No.

(TSINV-REG-5944-2024) and request a signed confirmation.

2. Ask for a scanned, signed copy from our Compliance Liaison (Clara M.,
Head — Compliance &

Security); we will provide it on request.

3. For transaction-level assurance, request TXIDs for specific transfers and
we will provide blockchain
confirmations for independent verification.

4. For independent regulatory status, check the company registration via the
national business registry

or relevant financial authority. **Contact & Escalation**
